Minimalismo e pulizia progettuale. La collezione si presenta come elemento dedicato all'accoglienza. I banconi da reception per ufficio sono caratterizzati da elementi semplici che, accostati tra di loro, definiscono lo spazio di primo contatto.

Minimalism and clean design. The collection is presented as an element dedicated to hospitality. The reception desks for offices are characterized by simple elements which, combined with each other, define the space of first contact.

Il piano conversazione si integra perfettamente con i diversi moduli bancone e consente di creare uno spazio di grande utilità sia per gli operatori che per il pubblico, senza compromettere l'estetica e la funzione della composizione realizzata.

The conversation worktop, seamlessly integrated within the different counter modules, gives a space of great use both to the operator and the public alike, without compromising the aesthetic and function of the counter-desk.

Per arricchire la serie, è stato integrato un "top accettazione" che si abbina in modo elegante alle diverse finiture del bancone.

To enrich the series, a "decorative top" has been integrated that elegantly combines with the different finishes of the counter.

Il disegno ricercato e particolare dei top terminali, caratterizza e rende riconoscibile lo stile di questa reception, anche nelle composizioni più semplici e lineari.

The particular design of the terminal tops provides the character and style of this reception desk, even in the most simple and linear compositions.
